

QUALITY * MODERN * UNIQUELY McDONALD'S

Keeping Your McDonald's on South Dakota Avenue

Dear Neighbors, we are in the process of rebuilding or relocating your neighborhood McDonald's located at 4950 South Dakota NE. It is our preference to remain at our current location and would like to meet with our immediate neighbors to get input and support to redevelop our current store. The next big phase of development efforts for the South Dakota Avenue McDonald's which is the 40th built McDonald's and has been a North Michigan Park Community business since the 1960's, we would follow up with you, the most affected residence and neighbors and to continue meeting with the ANC, North Michigan Park Civic Association and government agencies. We would like to meet with you on September 27th at 730pm at the North Michigan Park Recreation Center 1333 Emerson St. NE.

With the communities support we can renew rebuild grow and strengthen our current location as a community business. Design for South Dakota Avenue McDonald's will be part of a community driven process that includes and incorporates the community in the redevelopment process.

Sincerely, Raoul Alvarez, President Owner/Operator
