Dear Members of the Alcoholic Beverage and Cannabis Administration,

**This letter constitutes the documents required to notify the Board of action taken by
Advisory Neighborhood Commission (ANC) 5A regarding License ABRA-130766 at 4942
*South Dakota Avenue NE submitted by Clinical Solutions, Inc.***

**The applicant presented before Single Member District 5A08, at a duly noted SMD
meeting, on May 27, 2025. Following the presentation, the community voted 28-2 to
oppose the applicant. The applicant failed to appear before ANC 5A's regularly scheduled
monthly meeting on May 28, 2025.**

**At the May 28th Monthly Meeting, community members and ANC 5A Commissioners
cited the proposed site's incompatibility with community needs and character. The
proposed site is within two blocks of Love Child Care, within one block of Faith United
Church of Christ, and next to residential homes. The applicant also failed to address
residents' concerns with the criminal activity that may result from the license. The
applicant also failed to outline how the application will contribute to the local community
— whether through employment, safety investments, health partnerships, or
neighborhood beautification.**

**For reasons including, but not limited to, those cited above, on May 28, 2025, at its
special duly noticed meeting, with a quorum of 8 of 8 commissioners present, ANC5A
voted unanimously to urge the Board of Alcoholic Beverage and Cannabis to deny the
application based on the applicant's failure to meet the above concerns and conditions.**
