Dear Neighbor,

You are receiving this notice because your street is scheduled to be repaved in the next week as part of Mayor Muriel Bowser’s Pave DC initiative. Milling and paving of a roadway generally takes 3-5 days to complete, weather permitting. The estimated start date for each location is tabulated below. Construction at each location will begin on or about the estimated start date.

In order to complete the work, **it is necessary to move any parked vehicles from the work zone.** As such, all vehicles must be moved by the time posted on the posted “Emergency No Parking” (ENP) signs. ENP signs will be posted at least 72 hours before work is set to begin. **Vehicles that are not removed will be ticketed and towed.** The owner will be responsible for the fee associated with the citation.

To follow DDOT’s paving schedule in real time, visit ddot.dc.gov/pavedc. If you have any questions or concerns, please call (202) 671-2700 or contact the appropriate community engagement specialist by visiting [DDOT Community Engagement | ddot \(dc.gov\)](https://ddot.dc.gov/community-engagement)

Thank you for your patience as we work together to improve the district’s infrastructure.
