

**Explore! Museum is a local center for arts and education serving children and the broader Fort Totten neighborhood.** Founded in 2014 with support from the Cafritz Foundation, Explore began programming at Art Place in Summer 2025.

We are currently developing a long-term vision for a permanent neighborhood institution, and we're asking the Fort Totten community to get involved.

***This is a rare opportunity to shape a new public-facing resource while it is still being built.***
